### Case Summary:

### Procedural Matters:

### Facts Found:

The support boat 91 was about 100m below the start line with the engine running, not in gear, with the kill cord not attached to the driver who was sitting on the drivers seat. The kill cord was clipped to the key. He was instructed on the water to put the kill cord on.

The kill cord was also not attached when the boat entered the marina with the engine running and in gear at the end of the day's racing.

### Conclusion & Rules:

By failing to wear a kill cord while driving, support person broke SI 22.1

Jury policy D3 and RRS 64.5(a)(1) & (2) apply.

### Decision:

Support person, Tadeusz Kubiak will anchor 200 meters below the racing area course B signal boat on July 6th, 2023 from the time of the first orange flag of the day until released by the jury. GBR221583, GBR 221095, IRL 216612 are warned that any further infringement by Tadeusz Kubiak may result in a penalty.
